- Prices cover all periodic services as per manufacture schedule (including labor & part prices).
- All prices above are inclusive of the 15% value added tax (VAT).
- Prices of additional jobs, labor, & parts are not included (the additional job will be based on inspection).
- This schedule includes service intervals of every 10,000 kilometers or every 6 months, whichever comes first, as outlined in the above price list.
- NMS uses Total Quartz fully synthetic engine oil as recommended by Jetour.
- To ensure optimal performance and longevity of all serviced vehicle models, a periodic service is implemented.
- Note: Upon completion of the periodic service inspection in accordance with the manufacturer's guidelines, the customer will be notified of any additional repairs that may be required for their vehicle. This may include, but is not limited to, brakes, rotors, wiper parts, transmission oil, suspension systems, or any other identified issue on the periodic check list. A cost estimate for these repairs will be provided to the customer for their review and approval before any further action is taken.
